Dear Ms. O'Connor:

This is the second interim response of the Administration for Children and Families to Ms. Katie O'Connor's October 27, 2017, Freedom of Information Act (FOIA) request for records related to services for pregnant unaccompanied immigrant minors. Specifically, Ms. O'Connor sought the following items:

1. All records related to Office of Refugee Resettlement ("ORR") policy regarding services for pregnant unaccompanied immigrant minors in federal custody and/or housed at ORR grantee shelters. This request includes memoranda, directives, policy statements, policy interpretations, policy guidance, talking points, and other similar documents reflecting ORR policy.
2. All records related to ORR Director Scott Lloyd's visits to ORR grantee shelters that house unaccompanied immigrant minors. This request includes calendar entries, travel and accommodation requests and approvals, itineraries, briefing memoranda, and meeting notes.
3. All communications, meeting notices, meeting agendas, informational materials, talking points, or other documents received by representatives of ORR from, sent by representatives of ORR to, or exchanged between representatives of ORR and representatives of the Susan B. Anthony List, Concerned Women for America, the Heritage Foundation, the Center for Family and Human Rights ("C-Fam"), National Right to Life, Alliance Defending Freedom, Legal Works Apostolate, or the Knights of Columbus regarding services for pregnant unaccompanied immigrant minors in federal custody and/or housed at ORR grantee shelters. This request includes communications to or from anyone using email addresses from the following domains:
 - a. @sba-list.org
 - b. @cwfa.org
 - c. @heritage.org
 - d. @c-fam.org
 - e. @nrlc.org
 - f. @adflegal.org
 - g. @legalworks.com
 - h. @kofc.org
4. All communications, meeting notices, meeting agendas, informational materials, talking points, or other documents received by representatives of ORR from, sent by representatives of ORR to, or exchanged

between representatives of ORR and representatives of the White House regarding services for pregnant unaccompanied immigrant minors in federal custody and/or housed at ORR grantee shelters.

5. All communications, meeting notices, meeting agendas, informational materials, talking points, or other documents received by representatives of ORR from, sent by representatives of ORR to, or exchanged between representatives of ORR and members and staff of the U.S. Congress regarding services for pregnant unaccompanied immigrant minors in federal custody and/or housed at ORR grantee shelters.

This partial release consists of 500 pages that have been reviewed and are responsive to items one and three above. Of this number, 340 pages are being provided to you at this time. Portions of these pages have been redacted pursuant to FOIA Exemptions (b)(5) and (b)(6). Approximately 160 pages processed by ACF will be sent for consultation with other federal entities.

The exemption (b)(5) protects inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency. The exemption protects agency deliberations, both internal and with agency contractors and consultants, attorney-client privileged records and attorney work product. In this case, the withheld information includes predecisional discussions within the agency and between agency staff and contractors about management of ORR programs and/or individual children and sensitive communications between agency staff seeking legal advice and counsel on policy and other matters.

The FOIA exemption (b)(6) permits the withholding of records which, if released, would constitute a clearly unwarranted invasion of personal privacy. In this case, the withheld information consists of the names, identity and/or other private information of private individuals and/or the identities of federal employees in sensitive positions and the work cell phones of federal employees. The withheld information also includes the locations of shelters housing vulnerable unaccompanied children and refugee centers. Public disclosure of this information would constitute an invasion of privacy of those individuals whose identifying information was disclosed. In particular, disclosing the locations of shelters subject the children to unwanted publicity and harassment. In withholding the information, the individual's privacy interest was balanced against any public interest in disclosure. In each instance where information was withheld, it was determined that the individual's privacy interests outweighed any public interest in disclosure of the withheld information. Disclosure of the withheld information would invade the privacy of the subject individuals but would reveal nothing about the operations or activities of the government.

Sincerely yours,
